SIR:

INFORMATION DISCLOSURE STATEMENT

During the preparation of the referenced patent application, the undersigned attorney reviewed the patents listed on the attached Form PTO-1449. Other than the patents discussed in the background section of the patent application, none of the listed patents were considered reasonably relevant to the patentability of the claimed invention.

The foregoing is submitted for compliance with the requirements of rule sections 1.56, 1.97 and 1.98.

Respectfully submitted,

Attorney for Applicant
